In UK Oxford University hew donea statistic ho is the greatest monarch in england the answer they get is Elizabeth I , Viktoria ,Henry VIII.....

Elizabeth I

In government, Elizabeth was more moderate than her father and siblings. One of her mottoes was "video et taceo" ("I see, and say nothing"). This strategy, viewed with impatience by her counsellors, often saved her from political and marital misalliances. Though Elizabeth was cautious in foreign affairs and only half-heartedly supported a number of ineffective, poorly resourced m
